

# Blag the Ripper

## Dwarves

On the street in this town  
All the meat hanging round  
    And I watch  
    And I watch  
    From my window  
    Oh but they don't know  
    Said they don't know  
    Yeah well they don't know  
    No they don't know  
    Life is just an open sore  
    Suffocation nothing more  
Used to date the teenage queen  
Did her upon her sweet sixteen  
    I'm Blag the ripper  
    Blag the ripper  
    Blag the ripper  
    I'm Blag the ripper  
    Girls are dying on my block  
    Needle marks inside their hearts  
    And where the highway roars  
    I totaled the local whores  
    I'm Blag the ripper
