

# Viola Lee Blues (Live In San Francisco 1966)

## Grateful Dead

The judge decreed it, the clerk, he wrote it  
Clerk he wrote it down indeed  
Judge decreed it, clerk, he wrote it down  
Give you this jail sentence, you'll be Nashville bound  
Some got six month, some got one solid  
Some got one solid year indeed  
Some got six month, some got one solid year  
But me and my buddies all got lifetime here  
I wrote a letter, I mailed in the  
Mailed it in the air indeed  
Wrote a letter, I mailed in the air  
You may know by that I have got a friend somewhere  
I wrote a letter, I mailed in the  
Mailed it in the air indeed  
Wrote a letter, I mailed in the air  
You may know by that I have got a friend somewhere
