What I Do

Cimorelli

Ooooh
OooohMaybe I am just a little too much sometimes (sometimes), sometimes (sometimes)
Mess up my hair, yeah, I really don't care, that's right (that's right), that's right (that's right)I know you may not understand what I do, what I do
You wonder and you ask me whyThis is what I doWhoooaaa
Yeeeaaah
Ooooh
This is just me, this is what I
Doooo, doooo
This is what I doI change my mind just a little too much sometimes (sometimes), sometimes (sometimes)
No matter what, I know just who I am, that's right (that's right), that's right (that's right)I know you may not understand what I do, what I do
You wonder and you ask me whyThis is what I doWhoooaaa
Yeeeaaah
Ooooh
This is just me, this is what I
Doooo, doooo
This is what I do
Doooo
This is what I do
This is what I do
This is what I doYou gotta make your mark
Show everybody who you are
Stand out, be different
When they ask you say, this is what IThis is what I doWhoooaaa
Yeeeaaah
Ooooh
This is just me, this is what I do
Whoooaaa
Yeeeaaah
Ooooh
This is just me, this is what I do
