Intro (Do Have I Ur Attention)

MaydiÃ«n

Maydien â€“ Intro (Do I Have Your Attention)

Helloâ€¦ Yoâ€¦ Errm.
Helloâ€¦ Yoâ€¦ Errm.

I got yâ€™all attention now? Alright, check.

Some say my name is Mydien, some say its Maydien
Some of yâ€™all donâ€™t know me at all and some are hating.
Hate to use the word hating cos it comes from having love.
This is who I be (listen to me very much)
Clear the fuck on I donâ€™t come with ease.
I never said nothing I enjoy the fees.
The big guys now wanna join my meals to make the paper and a pen for me.
(Iâ€™m not in for a happy meal) When I canâ€™t stop to eat Iâ€™m rolling sleeves.
It aint about Gâ€™s but spreading seeds.
Filling up pieces and we all say â€œcheese!â€•.
Canâ€™t believe it ainâ€™t pork from Harlem so we ignore.
Till Iâ€™m overseas and youâ€™re on your knees and you calling me like â€˜huh?â€™.
I aint mad at that I can handle that.
But realized I asked twice you said
â€œYeah, I am warning you while I shake your handâ€•,
â€œYeah, I am warning you while I shake your hand(hand)â€•,
â€œI am warning you while I shake your handâ€•.
One third, two third, shake your hand, three peat then I shake your hand(hand).
I am warning you while I shake yourâ€¦ hand.
