

Intro (Do Have I Ur Attention)

MaydiÃ«n

Maydien â€“ Intro (Do I Have Your Attention)

Helloâ€¦ Yoâ€¦ Errm.

Helloâ€¦ Yoâ€¦ Errm.

I got yâ€™TMall attention now? Alright, check.

Some say my name is Mydien, some say its Maydien

Some of yâ€™TMall donâ€™TMt know me at all and some are hating.

Hate to use the word hating cos it comes from having love.

This is who I be (listen to me very much)

Clear the fuck on I donâ€™TMt come with ease.

I never said nothing I enjoy the fees.

The big guys now wanna join my meals to make the paper and a pen for me.

(Iâ€™TMm not in for a happy meal) When I canâ€™TMt stop to eat Iâ€™TMm rolling sleeves.

It aint about Gâ€™TMs but spreading seeds.

Filling up pieces and we all say â€œcheese!â€•.

Canâ€™TMt believe it ainâ€™TMt pork from Harlem so we ignore.

Till Iâ€™TMm overseas and youâ€™TMre on your knees and you calling me like â€˜huh?â€™TM.

I aint mad at that I can handle that.

But realized I asked twice you said

â€œYeah, I am warning you while I shake your handâ€•,

â€œYeah, I am warning you while I shake your hand(hand)â€•,

â€œI am warning you while I shake your handâ€•.

One third, two third, shake your hand, three peat then I shake your hand(hand).

I am warning you while I shake yourâ€¦ hand.
