

# You Shook Me All Night Long

## Footloose DJ Picks

She was a fast machine, she kept her motor clean

She was the best damn woman that I ever seen

She had the sightless eyes, telling me no lies

Knocking me out with those American thighsTaking more than her share, had me fighting for air

She told me to come but I was already there

Cause the walls start shaking, the earth was quaking

My mind was aching, and we were making itAnd you shook me all night long

Yeah, you shook me all night longWorking double time on the seduction line

She's one of a kind, she's just mine, all mine

Wanted no applause, it's just another course

Made a meal outta me and come back for moreHad to cool me down to take another round

Now I'm back in the ring to take another swing

That the walls were shaking, the earth was quaking

My mind was aching, and we were making itAnd you shook me all night long

Yeah, you shook me all night long

Knocked me out, I said

You shook me all night long

You had me shaking and you shook me all night long

Yeah, you shook me

Yeah, you took meYou really took me and you shook all night long

Ooohhhh you shook me all night long

Yeah, Yeah you shook me all night long

You really got me and you shook me all night long

Yeah you shook me

Yeah you shook me all night long
