

Beautiful Day

[Steve Poltz](#)

If you wanna complain
Call somebody else
But if you want some champagne
Take me off of your shelfUncork your mind
'Cause it could be so fine
When it's a beautiful dayIf you want to behave
Like a ten year old
That's okay by me
Sometimes you gotta be boldUncork your mind
'Cause it could be so fine
When it's a beautiful dayWe could be steppin' out today
Alright, okay, okay, alright, okay, alright
Until there's no one left
If you come back and it's a beautiful dayIf you wanna stay in
When it's sunny outside
I'll be your sandy beach
I'll be your personal tideUncork your mind
'Cause it could be so fine
When it's a beautiful day
