Night Train (feat. Louisiana's LeRoux)

Tab Benoit

I'm a night train
Rolling nine hundred mile
I'm a night train baby
Rolling nine hundred mile
Can't you hear me coming
Ain't stopping until morning lightKeep it burning baby
Got that fuel for my fire
Keep it burning baby
Got that fuel for my fire
You know smokin' track thru Memphis
Ain't stopping until morning light
Ain't no time for trouble
Midnight burning bright
Ain't no time for trouble baby
I got my midnight burning bright
Keeping one eye on the crossroad
Ain't stopping until morning light
I'm a night train
Rolling nine hundred mile
Yes I'm a night train
Rolling nine hundred mile
Can't you hear me coming
Ain't stopping until morning light
