Surrender

4HIM

I could hold on to who I am
And never let go and find your heart
But what would I gain
My life would be in vainAnd I could head down a thousand roads
Just going my way out on my own
But I wouldn't get far
'cause I need You more than anything
More and more than the air I breatheCHORUS
I lift my hands
I lift my heart
I'm letting go
Falling into YouI lift my hands
I lift my heart
I surrender
I'm letting go
Falling into You
I surrenderYou are the maker of all things
The giver of all I'll ever need
And I'm so amazed
You would live inside of me
Come and live inside of meCHORUSMold and make me with Your fire
And consume me with Your love
Until Your will is my desireAll that I have and hold on to
Surrender
All that I am I give to You
I give to YouCHORUS
