

Six Days - Remix

[DJ Shadow](#)

At the starting of the week
At summit talks, you'll hear them speak
It's only Monday Negotiations breaking down
See those leaders start to frown
It's sword and gun day Tomorrow never comes until it's too late You could be sitting taking lunch
The news will hit you like a punch
It's only Tuesday You never thought we'd go to war
After all, the things we saw
It's April Fools' day Tomorrow never comes until it's too late
Tomorrow never comes until it's too late You hear a whistling overhead
Are you alive or are you dead?
It's only Thursday You feel a shaking on the ground
A billion candles burn around
Is it your birthday? Tomorrow never comes until it's too late
Tomorrow never comes until it's too late Make tomorrow come, I think it's too late
