

To Be

Blue October

We asked God to remove our fear and direct our attention
As to what He would have us to be (to be)What He would have us to be
Just as happy, joyous, and free (free)He says when trouble comes cheerfully
Capitalize it as an opportunity to demonstrate His omnipotenceSo walk the walk, talk the talk,
And let go, let God (let God)
It works out according to His will
His will
His will
His will
His will
