Uh la la la la love me tonightI , I got your love, you got my mind
Can take my hands but you won't take my life
Don't waste my time bring me your love
And baby you can be mineBridge:
I never wanted this could happen to me but I feel
You love is right and I will always be there yeahChorus
You got to be a friend, got to be right
Don't hurt me boy then I will say goodbye
Don't bring me down, don't stand so close
Oh baby don't fool aroundBridge
Chorus
You know baby gotta love me tonight it's so right
'Cause only you baby you know you make it right
My blod pressure rise high I'm getting hype
I don't know why I know you think I'm obsessive
The type or guy I can be over possesive
Giving all that I can give best wishes
On how we live just us two is I really true
Love me tonight till the sky turn blue
Tonight is the night so tell me what you want to doBridge
Chorus
Love me tonight
