Turn Tail

The Young Knives

These are my hands, these are brick walls
Men can break down brick walls
Men can break down brick walls
These are my hands, these are brick walls
Men can break down brick walls
Men can break down brick wallsWhere are the spoils? Where are the treats?
I've been worked to the bone
I've been worked off my feet
Head in my hands, hands in the soil
I've been cheated and stripped of my perfect retreatWe're all slaves on this ship
We're all slaves on this ship, this ship's sinking
We will not reach the shore
We will not reach the shore, reach the shoreMy back is sore, so I sleep on the floor
With the dust and the leaves
That blew under the door
These are my chores, these are my chores
I must not show the strainWe're all slaves on this ship
We're all slaves on this ship, this ship's sinking
We will not reach the shore
We will not reach the shore, reach the shoreThis ship's sinking
This ship's sinking
This ship's sinkingTurn tail and run, turn tail and run
I will turn tail and run
I will turn tail and run
Turn tail and run, turn tail and run
I will turn tail and run
I will turn tail and runTurn tail and run, turn tail and run
I will turn tail and run
I will turn tail and run
Turn tail and run, turn tail and run
I will turn tail and runSwim to the coast, boat full of ghosts
Jump from the prow, jump from the prow
Swim to the coast, boat full of ghosts
Jump from the prow, jump from the prow
Jump from the prow, jump from the prow
Jump from the prow, jump from the prowTurn tail and run, turn tail and run
I will turn tail and run
I will turn tail and run
Turn tail and run, turn tail and run

I will turn tail and run
I will turn tail and runWe're all slaves on this ship
We're all slaves on this ship, this ship's sinking
We will not reach the shore
We will not reach the shore, reach the shoreThis ship's sinking
This ship's sinking
This ship's sinkingTurn tail and run, turn tail and run
I will turn tail and run
I will turn tail and run
