

Josie

Steely Dan

We're gonna break out the hats and hooters
When Josie comes home
We're gonna rev up the motor scooters
When Josie comes home to stay
We're gonna park in the streetSleep on the beach and make it
Throw down the jam till the girls say when
Lay down the law and break it
When Josie comes homeWhen Josie comes home, so good
She's the pride of the neighborhood
She's the raw flame, the live wire
She prays like a Roman
With her eyes on fireJo would you love to scrapple
She'll never say no, no
Shine up the battle apple
We'll shake 'em all down tonight
We're gonna mix in the streetStrike at the stroke of midnight
Dance on the bones till the girls say when
Pick up what's left by daylight
When Josie comes homeWhen Josie comes home, so bad
She's the best friend we ever had
She's the raw flame, the live wire
She prays like a Roman
With her eyes on fireWhen Josie comes home, so good
She's the pride of the neighborhood
She's the raw flame, the live wire
She prays like a Roman
With her eyes on fire
