Kill City

Iggy Pop

Well, I live here in kill city, where the debris meets the sea
I live here in kill city, where the debris meets the sea
It's a playground to the rich but it's a loaded gun to meWell, I'm sick of keeping quiet and I am the wild boy
I'm sick of keeping quiet and I am the wild boy
But if I have to die here, first I'm gonna make some noiseGive it up, turn the boy loose
Give it up, turn the boy loose
Give it up, turn the boy loose
Turn that boy looseYeah, the scene is fascination, man and everything's for free
The scene is fascination, man and everything's for free
Until you wind up in some bathroom, overdosed and on your knees
