

# Take a Walk

## Spoon

Tough break handjob, broke it all right in two  
And it won't get back together with stitches and glue  
And now that song's been sung  
It's just the cost of what's been done  
The cost of taking a walk with you Well, I can tell myself  
This is for all concerned's health  
And I may yet got that I  
Fill it up and pour it down inside Until you all, go and take a walk  
And listen, "All y'all go, take a walk" Tough break handjob, sent me back home to Ma  
Back to Cowtown and the fish shop and the mall Oh yeah, it sent me right back from where I came  
And in the interim nothing changed  
So I may yet got that I  
Fill it up and pour it down the inside Until you all, go and take a walk  
And listen, "All y'all go, take a walk"
