Is It All Okay?

The Muffs

Out of it and out of time
And out of everything
I can't believe it's true
And I can't believe I can't believe in youYou've gone away
And I am already looking for a way
And I know that I can't
Waste another dayIs it all okay? Is it all okay?
Is it all okay? Is it all okay?Give it all or go away
I gave it everything I had
I'm feeling free
And I'm happy now I'm really gonna beI'm feeling great
Maybe all my memories will go away
And now maybe I can face
Another dayIs it all okay?Do me right, boy, I never felt so bad
You think you're great, boy
But now it makes me sick to think
About the words you spoke
Through your old wicked faceIs it all okay?Is it all okay or not?
