

# Where R U Going?

## Grits

Yo

You wanna know why we do this We came speakin' these verses  
With purpose of breakin' curses  
But persecution on surface keep tryin' to  
Put us in hearses it seems  
Even the churches been blinded for recognizin' that talent  
Is part of the plans of God reachin' man Understand so many searchin', understand so many hurtin'  
Flirtin' with death, and slowly closin' the curtain on hope  
To find a better way, a brighter light in darker days  
Strike the spark to start, and burn a bluer blaze  
Maybe we missed it but um, what if we didn't these drums  
May be the difference is needed for when it sums So I dedicated my body to be the sacrifice  
Livin' and the beat it copy write written to raise dead  
And the course read led by beat, sweat, and tears  
Which is to be the beacon they seekin', when somethin' has gotta give  
So eternal existence is not a tale of the mystic  
But a reality of faith, believin' in He, receivin' through me Call and I'll be there  
Talkin' to you now  
I need you to believe in me  
Don't leave easily  
Where r u goin'? Call and I'll be there  
Talkin' to you now  
I need you to believe in me  
Don't leave easily  
Where r u goin'? Happiness is my accomplice  
Part of myself, up outa this rut without a map or compass  
Doin' good is so presumptuous  
It's one of my many functions  
I got the skinny anyone of y'all walkin' awful penny  
That's why I speak so gently Help out like Farnsworth Bentley  
Just do my part and put my heart and whole, though trials may tempt me  
Play full of the emotions pinley  
Speak through my actions lately  
Problems is stackin' baby  
Control the freak in me secretly that's what's crackin' baby And you don't have to hate me  
Or under rate what I do  
Conviction with diction I choose to use expressin' my view  
Tell me whose land we on  
And get a gander of the man and conversate

(Oh)  
When and whose gate we landed on  
Attackin' my defenses  
So relentless knock me senseless  
And I woke to those ones faces and the traces of repentance  
Baby gotcha smellin' the guns smoke smoke  
I awoke profusely and loosely  
Evoke the one quote  
Call and I'll be there  
Talkin' to you now  
I need you to believe in me  
Don't leave easily  
Where r u goin'?  
Call and I'll be there  
Talkin' to you now  
I need you to believe in me  
Don't leave easily  
Where r u goin'?  
Call and I'll be there  
Talkin' to you now  
Call and I'll be there  
Talkin' to you now  
Call and I'll be there  
Talkin' to you now  
We do, to believe in me  
(Call and I'll be there)  
To we be easily  
Where r u goin'?  
(Talkin' to you now)  
Call and I'll be there  
Talkin' to you now  
We do, to believe in me  
(Call and I'll be there)  
To we be easily  
Where r u goin'?  
(Talkin' to you now)  
Call and I'll be there  
Talkin' to you now  
We do, to believe in me  
(Call and I'll be there)  
To we be easily  
Where r u goin'?  
(Talkin' to you now)  
Call and I'll be there  
Talkin' to you now  
Call and I'll be there  
I will let you talk  
Call and I'll be there  
Talkin' to you now  
Call and I'll be there  
I will let you talk
