

Into Your Arms

The Lemonheads

There was a new girl in town
She had it all figured out
Well, I'll state something rash
She had the most amazing smile
I bet you didn't expect that
She made me change my ways
With eyes like a sunset, baby
And legs that went on for days
I'm falling in love but it's falling apart
I need to find my way back to the start
When we were in love, oh things were better than they are
Let me back into, into your arms, into your arms
She made her way to the bar
I tried to talk to her but she seemed so far
Out of my league
I had to find a way to get her next to me
I'm falling in love but it's falling apart
I need to find my way back to the start
When we were in love, oh things were better than they are
Let me back into, into your arms, into your arms
Oh, she's slipping away
I always reach when I'm thinking of words to say
Oh, the things she does make it seem like love
If it's just a game, just a game then I like the way that we play
I'm falling in love but it's falling apart
I need to find my way back to the start
I'm falling in love but it's falling apart
I need to find my way back to the start
When we were in love things were better than they are
Let me back into, into your arms, into your arms
Into your arms, into your arms
