

# Pushing Up Daisies

## Garth Brooks

Sometimes I tell you the way that I feel  
I swear that I'm going crazy  
Keep telling myself it ain't that big a deal  
It's better than pushing up daisiesI felt the arrow from death's fatal quiver  
Come so close it actually grazed me  
I bled the blood and I felt the cold shiver  
God only knows how he saved meThere's two dates in time that they'll carve on your stone  
And everyone knows what they mean  
What's more important is the time that is known  
And that little dash there in between  
That little dash there in betweenSometimes my hear is as true as a dove  
But sometimes my heart it betrays me  
So I draw my sword for to fight for my love  
But without a whisper she slays meMy mother died but somehow she keeps living  
She'll never cease to amaze me  
My dad turns his back on each day that he's given  
'Cause he'd rather be pushing up daisiesThere's two dates in time that they'll carve on your stone  
And everyone knows what they mean  
What's more important is the time that is known  
And that little dash there in between  
Yeah, that little dash there in between
