

# She Shot A Hole In My Soul

## Huey Lewis & The News

She shot a hole in my soul  
I'm walking all over town, calling her name and trying to find her  
She shot a hole in my soul, yeah  
I'm walking all over town, knocking and beating on every doorSome pity me, and people start to cry  
One man said hed help me but I think he done said goodbye  
'Cause I've got to keep on trying  
Though I'm going crazy, about to lose my mind  
I've got to keep on trying, yeah  
I'm going crazy, about to lose my mindMy heart said without a love youre dying  
Baby, baby, baby, say, cant you hear me crying?  
Say, whoa, whoa  
Help me, somebodyShe shot a hole in my soul  
I'm walking all over town, calling her name and trying to find her  
She shot a hole in my soul, yeah  
I'm walking all over town, knocking and beating on every doorI'm walking through a club, jump up and grab  
the microphone  
And asked the man whos leading the band to let me sing my song  
'Cause my heart said without a love youre dying  
Say, baby, baby, baby, now, cant you hear me crying?  
Say, whoa, whoaShe shot a hole in my soul  
I'm walking all over town, calling her name and trying to find her  
She shot a hole in my soul  
I'm walking all over town, knocking and beating on every doorShe shot a hole in my soul  
I'm goin' crazy, about to lose my mind  
She shot a hole in my soul  
I'm goin' crazy, about to lose my mind
