

# Hurricane

[Laurel](#)

[Verse 1]

I said, "baby, bring the weather with you [?]"  
Driving down the south coast after dark  
And I wonder if I'll ever see you again  
You're painting the pictures in my heart  
But I try to play it cool cause we just got started  
I'm on the 22 and you're kinda loose but  
I like how you are
