Stop for a Minute (Extended Version)

Sandra

I will try
I will try
not to lose my own
If you cry
That secret downOpen up your eyes again
Even you can try
Don't you think
you toil in vain
What have you come to be, to be now?Stop for a minute
You better change
your heart in time
Stop for a minute
You can believe that part of mine
I'll be protectin you
From what you run into
If you will hold on
Stop for a minuteI rely
I rely on my chance to know
You and I
Could feel as onceOpen up and start again
An' take a look around
Don't you see what I have meant
What have you come to be, to be now?Stop for a Minute...And what is left to you
Where are you goin' to
That sorrow in your life
What did you come to be now?Stop for a minute...
