

# This Kiss

Faith Hill

I don't want another heartbreak  
I don't need another turn to cry, no  
I don't want to learn the hard way  
Baby hello, oh no, goodbye  
But you got me like a rocket  
Shooting straight across the sky It's the way you love me  
It's a feeling like this  
It's centripetal motion  
It's perpetual bliss  
It's that pivotal moment  
It's, ah, impossible  
This kiss, this kiss, unstoppable  
This kiss, this kiss Cinderella said to Snow White  
"How does love get so off course, oh  
All I wanted was a white knight  
With a good heart, soft touch, fast horse  
Ride me off into the sunset  
Baby I'm forever yours" It's the way you love me  
It's a feeling like this  
It's centripetal motion  
It's perpetual bliss  
It's that pivotal moment  
It's, ah, unthinkable  
This kiss, this kiss, unsinkable  
This kiss, this kiss You can kiss me in the moonlight  
On the rooftop under the sky, oh  
You can kiss me with the windows open  
While the rain comes pouring inside, oh  
Kiss me in sweet slow motion  
Let's let everything slide  
You got me floating, you got me flying It's the way you love me  
It's a feeling like this  
It's centripetal motion  
It's perpetual bliss  
It's that pivotal moment  
It's, ah, subliminal  
This kiss, this kiss, it's criminal  
This kiss, this kiss It's the way you love me baby  
It's the way you love me, darlin', yeah It's the way you love me

It's a feeling like this  
It's centripetal motion  
It's perpetual bliss  
It's that pivotal moment  
It's, ah subliminal  
This kiss, this kiss, it's criminal  
This kiss, this kiss It's the way you love me baby  
It's the way you love me darlin', yeah It's the way you love me  
It's a feeling like this  
It's centripetal motion  
It's perpetual bliss
