

# I Wonder (Live At Srf)

## Gotthard

I'm running out of love  
I'm loosing ground  
There's emptiness inside  
I'm on my way down  
And here I walk alone, with no destination or places to go  
You're always on my mind  
No wonder why  
We had the best of times  
Oh, I can't deny  
But something fell apart, I know how it feels now  
When two worlds collide  
Now I can't believe you're gone tonight  
When I should be holding you so tight  
I can't believe and I wonder  
I wonder, where we're going  
Love don't live here anymore  
Now, when I close my eyes  
Pictures of you  
Will never hold me back  
From what I must do  
Ain't gonna waste my time  
Thinking 'bout all the pain  
You put me through  
Now I can't believe you're gone tonight  
When I should be holding you so tight  
I can't believe and I wonder  
I wonder, where we're going  
And I keep on walking in the rain  
I like to believe you feel the same  
I wonder, yes I wonder  
Is it over  
Love don't live here anymore  
Now I can't believe you're gone tonight  
When I should be holding you so tight  
I can't believe and I wonder  
I wonder, where we're going  
And I keep on walking in the rain  
I like to believe you feel the same  
I wonder, yes I wonder

Is it over  
Love don't live here anymore  
Anymore
