Live and Let Die

Wings

When you were young and your heart was an open book
You used to say live and let live
(You know you did, you know you did, you know you did)But if this ever changing world in which we live in
Makes you give it a cry, say live and let die
Live and let die, live and let die, live and let dieWhat does it matter to ya
When you got a job to do, you gotta do it well
You gotta give the other fellow hellYou used to say, "Live and let live"
(You know you did, you know you did, you know you did)But if this ever changing world in which we live in
Makes you give it a cry, say live and let die
Live and let die, live and let die, live and let die
