Nazi White Trash

Leftover Crack

One of us will be betrayed it's not enough for you to say
"i'm sorry" or lie about it all yer a meglo-nymph & yer mating call is
money & religion, segregation & division
your dirty cash in the pockets of the wicked politicians
lobbying for slavery in a new and modern way
repenting when yer caught, but this is what i say:yer sick, i hate you ya stupid motherfucker
yer so fuckin' blind ya have no fuckin' mind
yer nazi white-trash yer words come out like shit
yer so fuckin' sick yer such a fuckin' prickya have that special something that "sprite in you appeal"
ya think that we all love you but this is how you make us feel
yer sweaty, fuckin ignorant A product of conditioning
eugenics, social darwinisim, an excuse for yer positioning
yer crass & evil ways are all that got you there today
i hope you get shot, and this is what we sayyer sick, i hate you ya stupid motherfucker
yer so fuckin' blind ya have no fuckin' mind
yer nazi white-trash yer words come out like shit
yer so fuckin' sick yer such a fuckin' prick
