These Boots Are Made For Walking

David Hasselhoff

DH: You keep saying you got something for me
MM: Something you call love, but confess
DH: You've been messing where you shouldn't been messing
MM: And someone else is getting all your bestDH: These boots are made for walkin'
MM: That's just what they'll do
DH/MM: One of these days these boots are gonna walk all over youDH: You keep lying when you oughta be truthin'
MM: You keep loosing when you oughta not bet
DH: You keep saming when you oughta be changin'
What's right is right,
MM: But you ain't been right yetDH: These boots are made for walkin'
MM: And that's just what they'll do
DH/MM: One of these days these boots are gonna walk all over youDH: You keep playing where you shouldn't be playing
MM: You keep thinking that you'll never get burned
DH: But I just found me a brand new batch of matches
And what she knows
MM: You ain't had time to learnMM: These boots are made for walkin'
DH: And that's just what they'll do
DH/MM: One of these days these boots are gonna walk all over youDH: Are ya ready boots?
MM: Hasta la vista, Baby
DH: Hey wait, come back here...
MM: Bye bye
DH: We are not done talking here, hey where you going?
MM: See ya, I'm outta here
DH: Man!
