P.O.V.

53 Hz

Youre gonna see things differently
Look at it from my P.O.V.
Im gonna watch you watch me, joyfully
Wooh wooh, from my P.O.VIm gonna party hard, til the morning light (oh, oh)
Im gonna get rocked up, cause a scene tonight
Make you turn the camera round, put your eye to the lens
Gonna give your best performance, no offenseYoure gonna see things differently
Look at it from my P.O.V.
Im gonna watch you watch me, joyfully
Wooh wooh, from my P.O.VCause girl I can chew you up, like a bubblegum (oh, oh)
I'll make you pop and spit you out, when I've had my fun (oh, oh)
Did you really think it over, carefully
When you ran around and thought, that you were meYoure gonna see things differently
Look at it from my P.O.V.
Im gonna watch you watch me, joyfully
Wooh wooh, from my P.O.VYoure gonna see things differently
Look at it from my P.O.V.
Im gonna watch you watch me, joyfully
Wooh wooh, from my P.O.VPlease dont hate me
But you can't break me
Just zoom in closer
Tonight, tonight, tonightYoure gonna see things differently
Look at it from my P.O.V.
Im gonna watch you watch me, joyfully
Wooh wooh, from my P.O.V
