

# Take A Moment (feat. Winter Kills)

[Armin van Buuren](#)

Leafs are falling on my window  
Turning cold in fire with the wind they go  
I lost my way where do I go now  
This looks just like the road I came down  
Take a moment to live  
Take a moment to cry  
Take a moment to love  
And don't ask why  
Moment to live  
Moment to love  
A steady hand can point me somewhere  
I'm all the wiser for the many wrongs I've done  
I've found some courage in my battles won  
Never leads me far from where I'm meant to be  
Take a moment to live  
Take a moment to cry  
Take a moment to love  
And don't ask why  
My heavy heart, it pulls me  
And I know you will be there  
Take a moment to live  
Take a moment to cry  
Take a moment to love  
And don't ask why  
Moment to live  
Moment to love
