

High Priestess

Active Child

What you gonna do when you get back home?
Get a job?
Pull your weight now?What you gonna do when she sees through your eyes?
And through your lies?
Can you tell me?What you gonna do when she calls your name?
Oh, high priestess
Can you help me?What you gonna do when you get out of jail?
Oh, high priestess
Can you save me?Listen to my prayer...What you gonna do when you get back home?
From the slow, long journeyPriestess sitting up on the golden throne
She says no
You better get what you came for
Listen to yourself
Listen to your...
