Something or Nothing

Uriah Heep

There's never a day
When I've got nothing to do
Something to me
Might mean nothing to youSo don't don't don't

Look at me strangely now We'll find the line

That's in the middle and runSomething, something or nothing Something, something or nothingYou say you love to spend days

But I will save mine

Wait for the sun in your eyes
To turn the river to wineBut don't don't don't
Look at me strangely now

We're gonna find the line

That's in the middle and runSomething, something or nothing Something, something or nothingYou say you love to spend days

But I will save mine

Wait for the sun in your eyes

To turn the river to wineBut don't don't don't don't

Look at me strangely now

We're gonna find the line

That's in the middle and runSomething, something or nothing

It's gonna be something, something or nothing

Something, something or nothing

While look at the something, something or nothing
