

# Might as Well Be Making Love

Jessica Simpson

If tomorrow we won't even remember  
How we started, who was right and who was wrong  
If this fire will be burned down to an ember  
Before too long If the morning's gonna turn it into history  
Be a page of words we wish we'd never said  
If you're gonna wake up here with me  
Here with me anyway, here in this bed We might as well be making love  
Let this rainy night have the best of us  
Turn these stubborn walls into a pile of dust  
Maybe we've said enough, we might as well be making love If these moments between us are really diamonds  
So beautiful, so rare, so hard to find  
Then we better pay attention while they're shining  
And stop wasting time, yeah 'cause we're wasting our time We might as well be making love  
Let this rainy night have the best of us  
Turn these stubborn walls into a pile of dust  
Maybe we've said enough, we might as well be making love We might as well be making love  
Let this rainy night have the best of us  
Turn these stubborn walls into a pile of dust  
Maybe we've said enough, we might as well be making love
