

# It's Too Late

Rodney Carrington

We first met we made love every hour, nowadays I always have to beg  
When we first met your stomach was a six-pack, nowadays it looks more like a keg  
It's too late now we're married, till we're dead and buried  
You're stuck with me, and I'm stuck with you, baby it's too late and there's nothing we can do  
We tied the knot, and we both have second thoughts, I got drunk and now I'm stuck with you  
When we first met our love was like a flower, now it's like a weed I'd like to pick  
When we first met, our love was strong and growing, now it's short and shriveled like your dick  
It's too late now we're married, till we're dead and buried  
You're stuck with me, and I'm stuck with you, baby it's too late and there's nothing we can do  
We took our vows, and we're both sorry now, I got drunk and now I'm stuck with you  
Now I share a checking account and half my money's gone  
I share a bathroom with a man who can't hit the john  
I got someone to nag at me and tell me how to drive  
Now my life is over but my body's still alive  
You're stuck with me, what did we do  
Oh whatever made me stick my thing in you  
We took our vows, and we're both sorry now, baby I got drunk and now I'm stuck with you  
Yea the condom broke, and now I'm stuck with you  
The kids aren't yours, and I'm still stuck with you
