

Haleek Maul

Accumulate into one, the second half has begun  
 And I'm not the judge  
 Innocent are hung, remain unsung  
 And I hold a grudge  
 Take a stab in the dark and then it comes as a shock  
 Finger on the pulse  
 Everything that can, happens to the man  
 See the mannequin smile  
 When I am running out  
 I am running out  
 I am running out  
 Switch the moon and the sun, shield and the gun  
 Clip after clip  
 I'd love to stay and watch, make mine what you clutch  
 Empire slips  
 The weight is too much to hold  
 Excuses old, I realize  
 Everything that can, happens to the man  
 See the mannequin smile  
 You don't get it like I get it  
 (You don't get it)  
 Like I do  
 You don't get it like I get it  
 (You don't get it)  
 Like I do  
 When I am running out  
 I am running out  
 I am running out  
 Empire slips  
 Excuses old, I realize  
 Everything that can, happens to the man  
 See the mannequin smile  
 When I am running out  
 I am running out  
 I am running out
