Good for You

[Sleepwalk, a Robot](#)

You asked for good intentions
You said you never expected
Anything from all the times
I said I meant it

Relax I'm only venting
And this will all be over soon
And you'll feel elated

I'm sorry I'm so belated
And I
Cannot
Forgive myself anymore
Cannot forgive

And you want
To tell
Your friends

And you want
To listen to
The Bends
With me
Cause I'll be

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you

I came without a secret
But you still tried to keep it and I'll
Relay the information you worked so hard to

Erase with every scar
That you blamed
On me
And my selfishness has gone too far now

I only want what I wanted and I
Will be
The end of all your dreams
I'll be the end

And you want
To tell
The world

And you want
To listen to
Abbey Road
With me
Cause I'll be

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you

I'll be
Good for you

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you
Well I know I'll be good

I'll be
Good for you

I know I'll be good
Well I'll be good
Well I'll be good
