Here I Am Again

Rachelle Ann Go

ooh hooh hooh
Here i am again
Trying to take my chance
I'm longing for your touch
Longing for your warm embrace
Oh how I miss you baby

Here I am again
Trying to say the words
I failed to say before
I wished I've said it all to you
Oh how I love you baby

You're the only one
Who can make my life complete
Oh baby
Your love is all I need
You're the only one
Who can bring a smile to me
The only one
That I wanna be.... with...

Here I am again
Waiting for the time
When you say the words
That made us both become one
Oh how
I long for your love

You're the only one
Who can make my life complete
Oh baby
Your love is all I need
You're the only one
Who can bring
A smile to me
The only one
That I wanna be.....with...

Here I am again

Trying to say the words
I failed to say before
Oh how I love you so
