It's Alright

Queen Latifah

When I'm sexing you, when I'm next to you, I know it's alright
It's the things you do, make me cling to you 'cause I know it's alrightThere's a special way that you do what you do
Anywhere and anytime, you're not an ordinary lover
You give me good times, leave me so satisfiedWhen I'm sexing you, when I'm next to you, I know it's alright
It's the things you do, make me cling to you 'cause I know it's alrightI'm overwhemled by the way that you handle
'Cause I've been down for a little while
I've got experience to know when it's this good every thing
Every thing is alright, alright, yeahWhen I'm sexing you, when I'm next to you, I know it's alright
It's the things you do, make me cling to you 'cause I know it's alright
It's alright, it's alrightWhen you're near, I don't fear, I feel so safe and secure
You feel good in my arms and I know that you are, you're the one for meWhen I'm sexing you, when I'm next to you, I know it's alright
It's the things you do, make me cling to you 'cause I know it's alrightHow do I know you'll never go? You've got to be the one for me
I always pray that you will stay 'cause baby you're the oneWhen I'm sexing you, when I'm next to you, I know it's alright
It's the things you do, make me cling to you 'cause I know it's alrightWhen I'm sexing you, when I'm next to you, I know it's alright
It's the things you do, make me cling to you 'cause I know it's alrightWhen I'm sexing you, when I'm next to you, I know it's alright
It's the things you do, make me cling to you 'cause I know it's alright
