Greed

Crematory

Greed for cash causes you blindness
Creates obsession for might and fame
Guide the flames for the endless time
Unleashes your desireGreed, obsession, it burns in you, desire
For more and more
Greed, obsession, attracts a new, desire
For more and moreYour inner addiction, destroys your life
Not noticed your brain eaten back to life
Contaminates your thoughts
Destroys your life more and moreGreed, obsession, it burns in you, desire
For more and more
Greed, obsession, attracts a new, desire
For more and moreDesire makes you mindless
It kills every emotion in your heart
Releases the pressure from your soul
Estranged from society of manGreed, obsession, it burns in you, desire
For more and more
Greed, obsession, attracts a new, desire
For more and moreGreed, obsession, more and more, more and more
Greed, obsession, more and more, more and more
Greed, obsession, more and more, more and more
