

Greed

Crematory

Greed for cash causes you blindness
Creates obsession for might and fame
Guide the flames for the endless time
Unleashes your desire
Greed, obsession, it burns in you, desire
For more and more
Greed, obsession, attracts a new, desire
For more and more
Your inner addiction, destroys your life
Not noticed your brain eaten back to life
Contaminates your thoughts
Destroys your life more and more
Greed, obsession, it burns in you, desire
For more and more
Greed, obsession, attracts a new, desire
For more and more
Desire makes you mindless
It kills every emotion in your heart
Releases the pressure from your soul
Estranged from society of man
Greed, obsession, it burns in you, desire
For more and more
Greed, obsession, attracts a new, desire
For more and more
Greed, obsession, more and more, more and more
Greed, obsession, more and more, more and more
Greed, obsession, more and more, more and more
