

Gabrielle

Ween

I don't mean to be so insolent
But you know it's 'cause I love you
The foundation of my malevolence
You know I'd never hurt you, babe Sometimes, I might get edgy
But a man can sometimes be that way
Nobody's perfect baby
And I'll always love you anyway Ohh, Gabrielle
The sun is shining in your eyes
Ohh, Gabrielle
I didn't mean to make you cry Ohh, my sweet baby doll
I put you above everything
Ohh, Gabrielle
I love you till the day I die Sometimes, I feel like my old man
You know that's hard for me to say
And sometimes I just lose my head
Don't know why I get that way I want to keep you happy, darling
It could only work out that way
Nobody's perfect, baby
And I'll always love you anyway Ohh, Gabrielle
The sun is shining in your eyes
Ohh, Gabrielle
I didn't mean to make you cry Ohh, my sweet baby doll
I put you above everything
Ohh, Gabrielle
I love you till the day I die Gabrielle Oh, my, my, my Gabrielle Oh, Gabrielle
You know I love you baby
I do nothing to hurt you baby
But you know
I've got to love you anyway Oh, Gabrielle
You're so nice
You know, I love you baby
Oh, my, my, my Ohh, Gabrielle
The sun is shining in your eyes
Ohh, Gabrielle
I didn't mean to make you cry Ohh, my sweet baby doll
I put you above everything
Ohh, Gabrielle
I love you till the day I die
