## W een

I don't mean to be so insolent  
But you know it's 'cause I love you  
The foundation of my malevolence  
You know I'd never hurt you, babeSometimes, I might get edgy  
But a man can sometimes be that way  
    Nobody's perfect baby  
And I'll always love you anywayOhh, Gabrielle  
    The sun is shining in your eyes  
    Ohh, Gabrielle  
I didn't mean to make you cryOhh, my sweet baby doll  
    I put you above everything  
    Ohh, Gabrielle  
I love you till the day I dieSometimes, I feel like my old man  
    You know that's hard for me to say  
    And sometimes I just lose my head  
Don't know why I get that wayI want to keep you happy, darling  
    It could only work out that way  
    Nobody's perfect, baby  
And I'll always love you anywayOhh, Gabrielle  
    The sun is shining in your eyes  
    Ohh, Gabrielle  
I didn't mean to make you cryOhh, my sweet baby doll  
    I put you above everything  
    Ohh, Gabrielle  
I love you till the day I dieGabrielleOh, my, my, myGabrielleOh, Gabrielle  
    You know I love you baby  
    I do nothing to hurt you baby  
    But you know  
I've got to love you anywayOh, Gabrielle  
    You're so nice  
    You know, I love you baby  
    Oh, my, my, myOhh, Gabrielle  
    The sun is shining in your eyes  
    Ohh, Gabrielle  
I didn't mean to make you cryOhh, my sweet baby doll  
    I put you above everything  
    Ohh, Gabrielle  
I love you till the day I die
