

Your Love's Been a Long Time Coming

[Elvis Presley](#)

The first time I saw you I knew I was hooked
On somebody other than me
And the first time I held you, your soft lips and blue eyes
Were as far as my eyes could see Yes, here in my arms I knew I had found
The reason that I'm living for
And I felt the feeling, such a wonderful feeling
That I've never felt before Baby your love's been a long time coming
Baby your love's got a hold on me
Baby your love's sure got me humming
Baby your love's been a long time coming Deep in my heart there's a feeling I never knew
Until I saw a love that was very new
I'm gonna tell everyone what good love can do Baby your love's been a long time coming
Baby your love's got a hold on me
Baby your love's sure got me humming
Baby your love's been a long time coming, I said Baby your love's been a long time coming
Baby your love's got a hold on me
Baby your love's sure got me humming
Baby your love's been a long time coming, I said I said, "Baby your love's been a long time coming"
Baby your love's got a hold on me
Baby your love's sure got me humming
Baby your love's been a long time coming
