

Backlash

100 Demons

I had it made, I never strayed
From a course that somebody else laid
I clenched my fists, I never miss
 One nite
 (One nite)
You find that ya can't turn back
 So it's goodbye to the past
Here it comes, here it comes feel it comin'
 Backlash, backlash, backlash
 Oh, yea, it's too bad now, it's a backlash
 Your time ain't long, you don't belong
 Maybe so but you hope that they're wrong
 Thin skin gets thick, it happens quick
 Like a baby turn her very first trick
 Hold tight
 (Hold tight)
 Hold tight for the ride of your life
 And the lovers go by so fast
Here it comes, here it comes feel it comin'
 Backlash, backlash, backlash
 Used to love me used to care
 (Do you care?)
 Used to want me
 Here it comes, here it comes I guess that's fair
Now, do you love me? Do you care? Do you want me?
 One nite
 (One nite)
 We find we're outta, outta time
Here it comes, here it comes, here it comes, a c'mon
 Backlash, backlash, backlash
