I Feel Speed

Love And Rockets

Motorcycle and me
Motorcycle set me free
The motorbike don't go to fast
Just sets me freeJust you and me
You set me free
Just you and me
You set me high
High, high, highI feel warm inside
On my motorcycle
The wind is all around
We are freeMe and the motorcycle
We, we are free
You set me high
High, high, high
You set me highYou set me free
You set me free
