

# I'm Alright

Phil Vassar

Advisory - the following lyrics contain explicit language:

Well, it's been a long time glad to see your face  
I knew we'd meet again another time another place  
Can't believe it's been so many years  
You'd better grab a chair and a couple of beers  
Lookin' good in your three piece suit  
You know I always knew you'd take the business route  
You were always the one to follow the light  
And you look like you're doing alright  
Been singin' for my rent and singin' for my supper  
I'm above the below and below the upper  
I'm stuck in the middle where money gets tight  
But I guess I'm doin' alright  
I'm all I'm all I'm alright  
It's a beautiful day not a cloud in sight so I guess I'm doin' alright  
Oh, oh, I'm alright  
I got a good old friend here with me tonight and I guess I'm doin' alright  
Said I guess I'm doin' alright  
You know we raised a lot of hell when we were younger  
They thought we were crazy but we had the hunger  
Kept a lot of girls skipped a lot of class  
Been on top of the world and knocked on our  
We lost touch, we lost in love  
We lost our minds when things got tough but  
Beatin' time is a losin' fight  
And I guess I'm doin' alright  
I'm all I'm all I'm alright  
It's a beautiful day not a cloud in sight so I guess I'm doin' alright  
Oh, oh, I'm alright  
I got a good old friend here with me tonight and I guess I'm doin' alright  
Said I guess I'm doin' alright  
But I hate to see this evening end  
God only knows when I'll see you again  
Just send a fax or send me a letter  
Or give me a call that would even be better  
Give your wife a kiss for me, say hello to the family  
Tell them all my future's lookin' bright  
Well I miss 'em but I'm doin' alright  
I miss 'em but I'm doin' alright  
I'm all I'm all I'm alright  
It's a beautiful day not a cloud in sight so I guess I'm doin' alright  
Oh, oh, I'm alright

I got a good old friend here with me tonight and I guess I'm doin' alright  
Said I guess I'm doin' alright Oh, I'm all I'm all I'm alright  
It's a beautiful day not a cloud in sight so I guess I'm doin' alright  
Oh oh, I'm ma ma ma alright  
I got a good old friend here with me tonight and I guess I'm doin' alright Well, I'm doin' alright  
Well, I'm doin' alright
