

# Anyone But Him

## Mr Hudson

Anyone but him  
I'd rather hear you'd had the whole football team  
Than have to watch his filthy lips on your skin  
Anyone but him  
Anyone but him  
With schoolboy fists we can take this outside  
But knowing my luck that fuck would win  
Anyone but him  
Who's gonna take you home?  
Who's gonna take you home?  
Who's gonna take you home  
If it isn't me, if it isn't me? If it  
Anyone but him  
My blood boils as my eyes turn green  
Is this the best of the best of the scene?  
Anyone but him  
Anyone but him  
With schoolboy fists we can take this outside  
But knowing my luck that fuck would win  
Anyone but him  
Who's gonna take you home?  
Who's gonna take you home?  
Who's gonna take you home  
If it isn't me, if it isn't me? If it  
Anyone but him  
Look past the leather and the dash and the rims  
And you'll see his whole hustle wears thin  
Anyone but him  
Anyone but him  
He's gonna take what you can't take back  
Then he's gone out the door on a whim  
Anyone but him  
Who's gonna take you home?  
Who's gonna take you home?  
Who's gonna take you home  
If it isn't me, if it isn't me, if it isn't me?  
Now when she go black, she ain't never coming back  
I'm sorry Mr. H, I thought you already knew that  
You'll see her on a black street like Chauncey

I'm a bad boy like Sean C, Rock-A-Fella like Sean C  
Keep them Apes with me like Don C  
Like Jay keep Beyonce, I'm just talking nonsey  
So nonchalantly, see my Mark like Ronsy  
Pop my collars like Fonzy, paparazzi is on me  
I see your girl want me, I'm filling up her glass  
Feeling on her ass, feeling so upper class  
And your boy so fresh, I might even flash cash  
So at the end of the night you ain't even gotta ask  
Who's gonna take you home?  
Who's gonna take you home?  
Who's gonna take you home  
If it isn't me, if it isn't me, if it isn't me, if it isn't me?  
If it isn't me, who's gonna take you home?  
If it isn't me, who's gonna take you home  
Now if it isn't me, if it isn't me?  
Who's gonna take you home if it isn't me?  
Who's gonna take you home if it isn't me?  
Who's gonna take you home if it isn't me  
If it isn't me, if it isn't me?
