

Just Like Me

Britney Spears

(Do you know what it's like? come one come on)
Baby, tell me do I
Look like the kind of girl
That you want to take home, want to make me your own?
Do you even know what I like? Just What I'm living for?
What I adore?
Baby take the time to realize I'm not the type to sacrifice the way I am
So If you want to be my man
Baby[Chorus]
Walk a mile in my shoes
Do me right or I'm through
Can't you see that if you want to stay around
You've got to figure me out, boy
Take the time or you lose
This is my game, my rules
I can see, obviously
Baby You don't know what it's like to be me
(Do you know what it's like?) Don't you get it twisted boy
I want you too
But you got my heart to win
Before I let you in And that deceives you baby
I'm not the average lady
I need someone to love
Baby take the time to realize I'm not the type to sacrifice the way I am
So if you want to be my man baby[Chorus] Baby get to know me
Then You can show me
That your love for me is true
I will do everything a girl could give
Don't you want to be my man?[Chorus: x2]
