

# The Stairs

## Inxs

In a room above a busy street  
The echoes of a life  
The fragments and the accidents  
Separated by incidents Listen to by the walls  
We share the same spaces  
Repeated in the corridors  
Performing the same movements Storey to storey  
Building to building  
Street to street  
We pass each other Storey to storey  
Building to building  
Street to street  
We pass each other Listen to by the walls  
We share the same spaces  
Repeated in the corridors  
Performing the same movements The nature of your tragedy  
Is chained around your neck  
Do you lead or are you lead?  
Are you sure that you don't care? There are reasons here to give your life  
And follow in your way  
The passion lives to keep your faith  
Though all are different, all are great Climbing as we fall  
We dare to hold on to our fate  
And steal away our destiny  
To catch ourselves with quiet grace Storey to storey  
Building to building  
Street to street  
We pass each other on the stairs Listen to by the walls  
We share the same spaces  
Repeated in the corridors  
Performing the same movements Storey to storey  
Building to building  
Street to street  
We pass each other on the stairs
