Believe

Under The Flood

All I know is empty
And all I feel's the same
All I've got means nothing
Someone rescue me
From the lonely road that I can't leave
And the only hope is to believe...
All I am is fading
From all the same routines
All I see is failing
Someone help me breathe
Cause it's a long way up to face this
And the only hope is to believe
If there was one way out to change this
If you had one last chance, would you take it?
Always walking sideways
Always keep the pace
I've never done it my way
I just need to change
Cause it's a long way up to face this
And the only hope is to believe
If there was one way out to change it all
If you had one last chance, would you take it?
Well I've known this cage for way too long

And I feel like breaking out
And I feel like losing myself
I've lived with things that I've done wrong
And we knew it all along
Can we move on?
[Chorus]Cause I've seen the places I don't belong
And I feel like movin on
Surrounded by the paralyzed, they're too afraid to run
I won't be a slave to anyone, I won't waste away or come undone
But can we move on?
[Chorus]Cause I've known this cage for way too long
And I feel like breakin out
And I feel like losin myself
I've lived with things that I've done wrong
But we knew it all along

So can we move on?
[Chorus]So Don't look down
Don't look down
Don't look down
Don't look down
